---

Petitioner, a state prisoner proceeding *pro se*, filed a petition for writ of habeas corpus pursuant to 28 U.S.C. § 2254. Petitioner had filed a consent to magistrate judge jurisdiction in this federal habeas corpus matter under 28 U.S.C. § 2254. (Doc. No. 4.) As such, the court issued an order to reassign this action for all further matters to a magistrate judge. (Doc. No. 5.) However, after further review, it appears that the undersigned was initially assigned this action in error. *See* General Order 44(D)(5) (“the Clerk shall assign any non-capital habeas petition filed by a prisoner to the same judge who was assigned any previous petitions filed by or on behalf of that prisoner.”). Petitioner has a previously filed non-capital habeas petition with Judge Jon S. Tigar. *See Lerma v. Cate*, No. 11-4265 JST (N.D. Cal.).

Accordingly, the December 30, 2013, order reassigning this case to a magistrate judge is VACATED. This action is REASSIGNED to Judge Jon S. Tigar pursuant to General Order 44(D)(5).

IT IS SO ORDERED.

DATED: 1/6/14

LUCY H. KOH  
United States District Judge
